Message from the Secretary

To generate enthusiasm, one requires deep interest, involvement & commitment towards whatever one is doing & whatever one wishes to achieve. With the same enthusiasm and interest, the trust introduces Om Sri Sai Pharmacy College of Education. The foundation of the college was laid on 31st May 2014 and working with dedication. We have been able to complete it in record time. The verdant and lush greenery of our pollution free campus is situated about 6km away from Madhubani Town & 3km away from Pandaul Railway Station. We have the most modern and latest teaching pedagogy, our Laboratories and Libraries are the best in the surrounding. We invite you to be part of this elite institute for a brighter and better future.

Message from the Principal

With the advent of Medical based technology, as we move into a boundary-less and inter-connected world, the common phrase 'sky is the limit' seems a bit of a cliché, since the quantum of success has grown in manifold. With success comes the attitude towards winning and spirit of achievement, and education should aim towards preparing the mind-set for excellence. Excellence can be achieved in various fields depending on the student's capacities and capabilities. The syllabus must be enriched by incorporating a good pedagogy and integrated programmes to create learning experiences and right interpretation of facts. Experiential Learning, to me, is the key to quality education. Finally education is all about providing the specialized skills and negotiating tools to the coming generation that can be used constructively for the betterment of mankind.

Dr. Ajay Narayan Prasad
Ex- Deputy Superintendent
Sadar Hospital (Madhubani)
